

Communities In Schools Agency/Teacher Referral Form

The **Communities In Schools Program** is funded by a grant from the Community Foundation of academic failure Western NC. All participants are to be referred to the program for one of the following reasons: **academic failure, behavioral problems, peer anti-social behavior, and/or school attendance problems**. By referring a student to this program you will be starting the process that may allow them to be served. Participation in this program is voluntary and is a choice of the student and their parent/guardian.
